

"virgin And Child" - Oil On Copper, 17th Century

1 850 EUR

Period : 17th century

Condition : Bon état

Description

Oil on copper depicting the Virgin Mary with the infant Jesus on her lap, delicately placing a crown of flowers upon him. The two figures gaze at a young child, his hands clasped in their direction. The scene, seemingly set in an interior, opens onto a landscape to the right of the painting. Note the refined, almost Mannerist, rendering of the Virgin's right hand, as well as the modeling of the child's body. The piece is presented in an 18th-century gilt frame. French work, 17th century. Good condition; note two minor chips in the copper. Dimensions of the copper: 22 cm x 16.4 cm. Dimensions of the frame: 29.7 cm x 23.3 cm.
