### Description

Alabaster Column/Side Table - Neoclassical Style. An elegant decorative column in carved alabaster, resting on an octagonal base and topped with an antique-style vase with handles. The finely crafted, twisted shaft highlights the natural veins of the stone, offering beautiful translucency and a warm ivory hue. This side table is ideal for displaying a sculpture, plant, vase, or art object, in both classic and contemporary interiors. It can also be used as a standalone decorative element. Specifications: Material: Alabaster; Decoration: Vase with handles, twisted shaft, octagonal base; Style: Neoclassical/Antique-inspired; Period: 20th century; Condition: Good overall condition, with slight signs of wear and natural markings in the stone, no structural cracks; Dimensions: Height: 118 cm; Width: 29 cm; Depth: 29 cm.
