Description

Pair of Antique Walnut Armchairs -
Empire/Restoration Period - Upholstered Seat and Back. An elegant pair of antique walnut armchairs, with a simple, architectural design typical of the Empire/Restoration style (first half of the 19th century or its spirit). Their balanced lines and beautiful, warm patina make them decorative pieces that are as aesthetically pleasing as they are functional. Detailed Description: These armchairs feature: A walnut frame with straight and slightly curved lines; A slightly curved back, framed by straight uprights; Straight armrests resting on carved supports; Discreet decorative motifs applied (palmettes/stylized rosettes) on the uprights; Tapered front legs, slightly chamfered rear legs. The seat and back are upholstered in a fabric with a foliage pattern
