

19th-century Curule Stool - Lion's Paw Feet And Swan's Neck Uprights

550 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Description

Mahogany curule stool with swan-neck uprights and lion's paw feet - 19th century. An elegant 19th-century curule stool in solid mahogany, inspired by neoclassical Empire style designs. The side uprights, carved in a swan-neck shape, are joined by turned stretchers, while the cabriole legs terminate in finely carved lion's paw feet.
