Stone XIX Fountain

1 950 EUR

Period : 19th century

Condition : Bon état

Material : Stone

Width : 50

Height : 1.25

Depth : 40

Description

Charming small wall fountain in three parts: a half-basin supporting a flat section decorated with a putto's head and a small cornice, all in white stone. A 19th-century work in the Louis XVI style, small model, very decorative, with minor damage to the rim of the basin and one edge of the cornice. Lovely patina.
