Description

A 14k gold (585) ring with an expressive and painterly Tutti Frutti design, brilliantly combining the harmony of colorful gemstones with an ornamental, organic form. The setting is adorned with a dynamic composition of diamond, ruby, sapphire, peridot, amethyst, citrine, garnet, aquamarine, zirconium, and tourmaline. Their varied colors, shapes, and sizes create a vibrant play of light, evoking a mosaic. This decorative and elegant piece reflects the aesthetic of mid-20th-century artistic jewelry, an era when individuality, color, and freedom of form took precedence over strict symmetry. The ring's authenticity is attested by the maker's mark and the certificate from the Lithuanian Assay Office.
