

France, Circa 1550. Carved Oak Panel In Bas-relief.

750 EUR

Period : 16th century

Condition : Très bon état

Material : Oak

Description

France, circa 1550. Decorative panel with a central medallion (a profile portrait), zoomorphic arabesques, griffins at the bottom, and grotesques. Carved oak in bas-relief, on two joined panels (or one large split panel?), with a vertical joint/split in the middle. Probably came from a piece of furniture. Good condition. 43.5 x 36.5 cm panel, 50 x 42.5 cm frame.
