### Description

A silver-plated metal figure...A wing that has chased a snake...Holding it in its beak...Which becomes a watch holder...From the 1920s/30s...A French Provence piece...In good condition, some signs of wear...Such as a little silver plating loss on the snake and on one side of a wing...But nothing serious...A classic, beautifully crafted model...With all the details of the eyes and feathers, among other things! It is quite heavy for stability...Weight... 1 kg 14 g
