Description

An elegant table lamp in gilt bronze (or gilt brass), 75 cm tall, resting on a stepped square base. The stem unfolds into a stylized vegetal motif evoking a bouquet of slender leaves emerging from an ornate vase, lending lightness and refinement to the whole. The lamp rests on a solid square base, emphasizing the balance between the delicate decoration and the sculptural presence. French work from the 1950s-1970s, in the spirit of the decorative creations of Parisian houses such as Maison Jansen.
