Description

Marcel Coucy (1885-1964) Crozant School  
Landscape of the Creuse Oil on panel - 27 x 35  
cm 43 x 51 cm with frame A charming and rare  
oil on panel signed by Marcel Coucy (or Couci),  
a painter associated with the Crozant School,  
depicting a luminous landscape of the Creuse  
region. The work illustrates a verdant landscape  
of the Creuse, traversed by a winding river. The  
fresh and vibrant palette features deep greens,  
golden yellows, and touches of orange that  
convey all the poetry and light so characteristic of  
the Creuse landscapes. The composition,  
structured by the line of water meandering  
through the heart of the painting, offers depth and  
perspective. The brushwork remains free and  
sensitive, in the post-impressionist spirit typical  
of artists who worked in the wake of the Crozant
