

## Multi-layered Cameo Glass Vase With Acid-etched Plant Decoration

280 EUR

Period : 20th century

Condition : Très bon état

Material : Glass paste

Height : 25

### Description

A superb cylindrical vase in multi-layered cameo glass, featuring an elegant, acid-etched naturalistic design. The stylized branches and foliage stand out in low relief against the satiny background, creating a refined contrast and beautiful visual depth. The quality of the craftsmanship and the harmony of the tones evoke French productions of the late 19th and early 20th centuries, in the spirit of the École de Nancy. Light particularly highlights the richness of the multi-layered glass, revealing effects that change depending on the viewing angle. A highly elegant decorative piece, ideal for an Art Nouveau interior or a collection of fine glassware. Height: 25 cm
