Description

Large carved wood mirror, late 19th century. Elegant antique carved wood mirror in the Henri II style, made in France in the late 19th century. This model is distinguished by its richly crafted architectural pediment, adorned with carved motifs and a decorative frieze typical of Renaissance aesthetics. The side panels feature turned and carved decoration that emphasizes the verticality and noble character of the whole. The warm tone of the wood highlights the natural grain and provides a strong decorative presence, ideal in an entryway, living room, or above a console table. The mirror retains a beautiful antique character and fits equally well in a classic or eclectic interior. Dimensions: Height: 151 cm Width: 91 cm Good overall condition, with signs of age consistent with its age and authenticity.
