

## Eugene Baudin : "art Nouveau Planter"

850 EUR

Period : 20th century

Condition : Bon état

### Description

Eugène Baudin (1853-1918): "Art Nouveau Planter," polychrome ceramic with a metal mount decorated with ivy, 25 x 8 x 16 cm. Traces of limescale on the neck and a very small chip on the body. The silvered metal of the mount appears to be silver and shines when rubbed, but as I saw no hallmark, I will therefore say "metal." A similar model, but in a different color and with a silver mount decorated with bindweed, was sold by the Tajan auction house in 2016. Please feel free to request additional photos or information by email or telephone. More photos and many other items are available in our shop in Pau and on our website [galerielhoste.com](http://galerielhoste.com).
