

Inseparable Lamp In Brass Cloisonné With Glass Paste

600 EUR

Period : 19th century

Condition : Etat d'usage

Material : Brass

Width : 16cm

Diameter : 9cm

Height : 23cm

Description

A charming and original brass lamp depicting a tree on which lovebirds rest. The birds are made of brass cloisonné with glass beads imitating coral, turquoise, and lapis lazuli. On the branches are two flowers and a butterfly. The entire piece rests on a wooden base and is completely removable (top, bottom, front, and back). Note some minor glass losses, the two main ones being the lower part of one bird's wings and two missing pieces of lapis lazuli.
