

Del Vecchio Napoli Plates, 19th Century

650 EUR

Signature : Del Vecchio

Period : 19th century

Condition : Bon état

Material : Earthenware

Diameter : 24 cm

Description

Set of three earthenware (creamware) plates from the Del Vecchio Manufactory in Naples, dating back to around 1820.

The rim is decorated with a dark band with a black floral motif.

The center features classical-style archaeological vases, outlined in iron red.

They are inspired by archaeological discoveries of the time, typical of the neoclassical style.

Condition as shown in the photos.

The price is for the set of three.
