

Round Rolling Serving Cart Forming A Bar In The Directoire Period

1 250 EUR

Period : 19th century

Condition : Bon état

Material : Walnut

Diameter : 55 cm

Height : 85 cm

Description

Round Serving Cart/Bar on Wheels, Directoire Period. Rare round serving cart/bar on wheels in Directoire period walnut with four superimposed shelves, one of which is hollowed out for five bottles. The uprights have canted corners, and the tapered legs end in tapered feet resting on original bronze barrel casters. French work from the 19th century. An ancestor of modern serving carts and rolling bars. Dimensions: H. 85 cm - Diam. 55.5 cm. We deliver and ship worldwide; please contact us for a precise quote.
