Description

We present this elegant antique Italian chest of drawers dating back to the second half of the 18th century, the Louis XVI period. An extremely refined piece. Crafted from fine solid walnut, its linearity perfectly reflects the taste of the era, which sought perfection through extreme elegance and refinement, often with the absence of excessive decoration. Long, truncated pyramid legs create a unique visual accent. Functionally, it features two convenient drawers. You can certainly consider placing this exquisite chest of drawers in any room of the house and enhance it by pairing it with a beautiful painting or an elegant mirror. Wherever you choose to place it, it will become a focal point, admired and envied by all your guests. Its elegant simplicity makes it perfect for both classic and modern
