

Smoked Glass Bowl With Embossed Gold Decoration Of Bamboo And Birds

200 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Description

A decorative bowl in smoky brown tinted glass, resting on a small foot and featuring two raised side handles. The glass has a textured, hammered-effect surface that subtly captures the light and enhances the depth of the smoky hue. The wavy rim adds elegant movement to the silhouette. The Japanese-inspired decoration, executed in raised gilt, depicts bamboo stalks and birds perched on a branch, rendered with finesse and delicacy. Dimensions: 24.5 cm × 12.5 cm.
