Description

Set of 4 Maffrash panels originating from Karabakh in Armenia. Sumak technique, wool on wool. The weave is extremely fine and tight. The vibrant, plant-based colors have retained all their freshness and brilliance. Refined and ultra-precise work, a true work of art. Usually, one sees this kind of piece in museums, and now on Proantic! Highly decorative, these 4 fragments can be displayed together on a white wall or framed against a matte black fabric background... The choice is yours! Actually, I'm not really an interior decorator but rather passionate about antique textiles... Circa 1880. Small panels: approximately 54 x 43 cm. Large panels: approximately 107 x 45 cm.
