### Description

Maison Lecan presents this monumental 1950s farmhouse table, a true rarity on the vintage market thanks to its exceptional dimensions of nearly 3.80 meters in length. Exceptional proportions: Designed for large spaces, this spectacular table redefines the art of entertaining. Its generous length comfortably seats 14 to 16 guests, making it the ideal centerpiece for a large dining room, country house, or spacious meeting room. Noble material and authenticity: The solid pine top reveals a rich grain and a warm patina that tell its story. The entire piece has been carefully crafted for everyday use while preserving the raw, authentic charm of the period wood. Modernist lines and absolute reliability: The table's appearance is lightened by an elegant, tapered leg base, typical of 1950s design. To
