

Japanese Bronze Box With Antique Patina, Meiji Period (1868-1912).

160 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

Of elongated oval shape, it is decorated on the lid with a relief scene depicting a seated figure in a stylized landscape, accompanied by floral motifs and a bird in flight. The finely engraved and chased composition exemplifies the narrative Japanese aesthetic of the late 19th century.

Dimensions: Length: 10 cm Width: 6 cm Height: 2.5 cm
