

Golden Wooden Chandelier

2 300 EUR

Period : 19th century

Condition : Très bon état

Material : Gilted wood

Diameter : 52

Height : 57,5

Description

A Louis XIV style giltwood chandelier with four lights, decorated with heads typical of Louis XIV period art. The gilding is exquisite, and the zodiac signs are carved on the globe above. The option to upgrade to electrified lighting is available upon request and will be included in the price.
