### Description

A charming bronze covered bowl decorated with polychrome cloisonné enamels, resting on four cabriole feet. The spherical body is entirely adorned with a rich, stylized floral design on a deep cobalt blue ground, structured by fine gilt partitions forming an elegant vegetal network. The patinated bronze mount harmoniously highlights the vibrancy of the enamels. The side handles with movable attachments add a sculptural touch and balance the composition. Matching lid with floral decoration and finial. A beautiful 20th-century decorative piece with a refined and timeless presence. Dimensions: Diameter with handles: 20 cm Height: 17.5 cm
