Description

Antique pram
Wooden pram with a solid wood tray featuring hand-painted details and a metal frame with spoked wheels. Foldable metal frame with fabric hood and metal push bar on top. The interior is luxuriously finished in leather. This handcrafted pram was made by mechanic Van Hoeck, originally from Opwijk, born at the end of the 19th century. 120 cm long, 57 cm wide and 75 cm high. Obvious signs of use and age-related wear and tear, such as rust and deterioration. This gives the object a unique patina and adds to its charm. Belgian craftsmanship from the interwar period with a characteristic, aged appearance.
