Pair Of Solid Silver Strawberry Shovels

450 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Length : 23 cm

Description

Superb and rare pair of solid silver strawberry scoops. The shell-decorated bowl and guilloché handle are both exquisitely chased, and the handle's end is adorned with a finely chased monogrammed medallion. The Minerva head hallmark is applied in several places. The total weight for the two pieces is 170 grams. High-quality workmanship in very good condition.
