Description

Pierre Paulin (1927-2009) Model CM141 Edition Thonet 1950 This desk is the most emblematic of the French designer. The lines of this desk are minimalist, typical of post-war design. Its base is composed of four legs connected by three flat crossbars, in black lacquered metal. The black laminate top, extended with a mahogany veneer, has always been protected by a glass cover added by the previous owner, ensuring excellent preservation. The cabinet includes two drawers opening with a black lacquered metal U-shaped handle. Dimensions: 73 x 129 x 64 cm.
