Description

A magnificent brass display case with a hinged glass door, complete with its original, fully functional lock and key. The craftsmanship of this piece testifies to the care taken in its manufacture, and its excellent state of preservation is noteworthy. Fully glazed on the sides, it offers optimal light and complete visibility of the displayed objects. The back and base are lined with mirrors, enhancing the depth and highlighting each piece. Inside, four adjustable glass shelves on racks allow for flexible display options. They are supported by sturdy brass brackets that complement the overall refined aesthetic. The display case rests on a wooden base, providing stability and contrast, and is adorned at the bottom with an original cartouche bearing the maker's signature: SIV -
