Description

Superb lamp decorated with anemones, by Muller Frères Lunéville. This substantial mushroom-shaped lamp is made of multi-layered glass, decorated with an acid-etched design of blooming anemones in deep red tones against an amber-yellow background. The lamp emits a warm, enveloping light, characteristic of Muller Frères Lunéville's creations. The base, also made of glass worked in harmony with the shade, features an engraved vegetal motif and rests on a flared base. The original metal mount features a naturalistic foliate design. The signature "Muller Frères Lunéville" is acid-etched on the shade and also present on the base. Height 59 cm, Diameter 25 cm. Very good condition.
