Description

Sculptural armchair in solid wood - Unique piece, organic design. Superb monoxylous armchair sculpted from a single block of solid wood, with a resolutely organic and brutalist design. This unique piece highlights the natural forms of the trunk, preserving the curves, grain, and irregularities of the wood, enhanced by careful polishing and a warm patina. The sloping, enveloping backrest, combined with a generous seat, creates a spectacular sculptural silhouette, halfway between furniture and a work of art. Each angle reveals a new interpretation of the wood grain, giving this piece a strong and authentic presence. Material: carved solid wood. Style: organic, brutalist, wabi-sabi, contemporary primitive art. Period: 20th century. Unique piece. Condition: very good overall condition, with
