

## Rose Gold Ring With A 4-carat Marquise-cut Aquamarine

1 200 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

Delicate and luminous, this ring is crafted in rose gold, whose warm hue beautifully complements the crystalline freshness of the central stone. It features a marquise-cut aquamarine of approximately 4 carats, with delicately bluish reflections, whose slender silhouette lends grace and elegance to the overall design. A refined and feminine piece, combining soft lines and natural brilliance, ideal for a look that is both precious and contemporary.
