### Description

A very pretty bistro table at a comfortable height, sometimes called a "standing table," perfect for enjoying coffee, tea, breakfast, etc. The circular top is made of solid oak and features a pleasing "crow's beak" molding around the edge. The table rests on a fluted and ringed central column, topped with a beautifully crafted cast iron tripod base. The top has a few light scratches from use, adding to its charm and authenticity (see photo). This bistro table can also be used as a pedestal table, plant stand, side table, etc. A fine piece of mid-20th-century craftsmanship. Dimensions: Height 115 cm, Diameter 60 cm.
