

Daisy Ring In White Gold, Oval Old-cut Diamond Of 1 Ct And Diamonds Totaling 0.60 Ct

3 900 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Classic and timeless, this Marguerite ring is crafted in white gold, its setting highlighting the brilliance of the stones. At its center is an oval, old-cut diamond of approximately 1 carat, possessing authentic charm and subtle luminosity, surrounded by diamonds totaling approximately 0.60 carats, forming the delicate floral motif emblematic of the design. The result is a piece of exquisitely elegant jewelry, combining traditional craftsmanship with timeless refinement.
