Description

Delicate and finely crafted, this leaf-shaped brooch is made of white gold and platinum, an ideal combination to enhance the brilliance of the stones. It features an old-cut diamond of approximately 0.50 carats, with authentic charm and soft light, accompanied by diamonds totaling approximately 0.30 carats, delicately set to highlight the relief and movement of the leaf motif. An elegant and timeless piece, combining naturalism and refinement, perfect for subtly and elegantly illuminating any look.
