Description

Pair of 1970s Vintage Collector's Fondue Sets. A very rare and superb set, made of lacquered and enameled sheet metal. Beautiful vintage design with shapes and colors typical of tableware from that era. In very good condition (it appears that only one set has been used, and most likely only once, as the wadding in the fondue pots is completely white on one and just very slightly browned on the other). Made in the Netherlands by BERK (the label is still on one set).

Dimensions: Height 24 cm, Diameter 17 cm, Width including handles 24 cm. Not reproductions. The set allows you to make fondue for 12 people. Packaging: Item carefully packaged. Delivery: To be collected in Nevers. Delivery is possible in Paris (Paris/Nevers axis) and Montpellier. Shipments can be arranged from
