

Toothpick Holder, Ashtray...carved From Wood Depicting A Black Forest-style Bear

150 EUR

Period : 19th century

Condition : Parfait état

Material : Solid wood

Length : 15 cm

Width : 7 cm

Description

Its final use is still to be determined: toothpick holder? Ashtray? Fire starter? Perhaps all three, depending on your desires. This bear is carved and stained linden wood, its eyes are glass, and the cup on its back is brass. It's an object commonly categorized as a "Black Forest" item, those carved wooden objects from Switzerland in the 19th century that delighted tourists who took them home. Shipping within France and internationally; contact me for details.
