This magnificent rug has undergone a deep cleaning by our experts in our artisan workshop. It is now ready to adorn your home. "Argonauts" Rug - Jean-Jacques Beaumé for Toulemonde Bochart. This exceptional rug, entitled "Argonauts," is a textile work by designer Jean-Jacques Beaumé for the prestigious Toulemonde Bochart Manufacture. A Narrative and Symbolic Design: The work takes its name from the ancient myth, evoking an abstract and poetic cartography. Its composition is distinguished by: An Organic Palette: A subtle interplay of ochre, sienna, sand, and deep brown hues that brings natural warmth and an elegant presence to the space. An "Arty" Graphic Design: Spiral, triangle, and dotted patterns reminiscent of primitive symbols and cave art, offering a

mysterious and timeless dimension. A Dynamic Structure: Unlike classic designs, this rug plays on asymmetry and the layering of geometric planes, creating a unique visual depth. A Signature of High Craftsmanship: Made with the renowned expertise of Toulemonde Bochart, this model combines aesthetics and comfort: Quality: Crafted from high-density wool, offering a soft feel and exceptional durability. Finishes: The raised patterns and variations in texture highlight the design and capture the light in a way that changes depending on the viewing angle. Its graphic strength makes it the ideal focal point for a living room or office with character.
