Description

Oil on canvas. Original canvas. Dated. Here is the aristocracy of the skies, this diplomatic corps in striped uniforms who, with an impertinence to match their buzzing, decide which fruits are worthy of the royal table and which must be reserved for the common people. Don't look for the wasp in the rough quince or the cardboard apple that adorns the idler's fruit basket; she, with the nose of a diamond taster, deigns to gravitate only around pure nectar. Image dimensions without frame: 45 x 54 cm / 60 x 70 cm with exclusive custom frame.
