Description

Rare 18k yellow gold (750/°°) necklace by designer Arlette Mouchet. A fragment of raw emerald is surmounted by a human figure supporting a cut diamond, estimated at 0.03 carats. The piece is crafted like a clay sculpture, revealing the material's unique texture. The chain is a diamond-cut curb link. Hallmarked with an eagle's head. This piece is offered by a professional with its certificate of authenticity and in a beautiful presentation box.
