Description

Display Cabinet - Parisian Side Cabinet in Louis XVI/Neoclassical Style / Mahogany / Early 19th Century. Superb Louis XVI style display cabinet, richly adorned with gilt bronze mounts and topped with marble shelves. An elegant and decorative piece, ideal as a display cabinet or entryway cabinet. Description: Mahogany cabinet with a central glazed front framed by a finely crafted gilt molding. The central section forms a tall display cabinet with an interior shelf, perfect for showcasing objets d'art, porcelain, antique books, or collections. On either side, two side shelves of veined red marble rest on small cabinets, each incorporating a drawer in the front. The drawers are decorated with gilt bronze mounts and fitted with stylized handles. The whole is enhanced by: Gilt friezes at the top;
