Description

Pair of two-light beaded wall lights made in Italy in 1970 circa with a teardrop frame in silver-plated iron completely covered with transparent faceted crystal beads in the shape of rosettes, pencils and two hanging blue almonds, which are echoed by delicately inserted beads of the same colour. The two lights are E14 mignon type, with the original electrical system in perfect working order. These Italian-made bedroom wall lights date back to the third quarter of 20th century. The matching en suite chandelier is also available, see the last listed picture with our item A1558.
