

18th Century Venetian Glass And Silver Jug

1 200 EUR

Period : 18th century

Condition : Bon état

Material : Sterling silver

Diameter : 13

Height : 20

Description

Refined jug which features a glass body, a silver handle, and a silver base. The base features a pod-like pattern, while the handle features plant motifs. The jug's body is made of glass using the "reticello" technique, with anet-like pattern of interwoven white threads that lends a refined touch to the overall design. The jug features a flared spout, adding further elements of elegance. This is an object of great class and style, capable of lending atouch of antique and decorative flair to any space. 18th-century Venetian craftsmanship. Dimensions: H x DM 30 x 13cm
