Description

Set of eight artichoke or crudité plates, perfect for an appetizer buffet, from the Gien factory, stamped on the back. Vintage circa 1950-1970, made of molded earthenware. Compartmented design, consisting of a large compartment, a smaller side compartment, and a central circular compartment. Relief decoration of leaves and plant motifs, highlighted by a beautiful dark mustard yellow glaze. 23 cm in diameter and 2 cm high. Very good overall condition. There are some natural crazing marks in the glaze, a few very minor original manufacturing flaws, and a small, discreet chip in the center of one of the plates, barely noticeable. Approximately 450g each.
