Description

An extraordinary complete collection of 30 vintage botanical models depicting various mushroom species. Crafted in resin and hand-painted, these models accurately reproduce the cap, gills, and stem of each species. The species names are printed beneath the specimens, enhancing their educational and collectible value. The variety of shapes and colors makes the collection particularly striking: a harmonious yet diverse ensemble, perfect for creative studios, libraries, contemporary cabinets of curiosities, or natural history collections. - Complete collection (30 pieces): EUR900 - Individual model: EUR35 each Excellent overall condition. They have minimal and slight detachments, consistent with their vintage nature, which do not compromise the stability or legibility of the details.
