Description

This set of four drawings was created by A. Blattner; I am not certain of the artist's name (to be identified). All four drawings are signed. These drawings depict Zurich and Lausanne and are mounted on paper. They are numbered 88 and 89, presumably for 1988 and 1989. They are beautifully executed wash drawings. Regarding their condition, there are some small stains (on the drawing in the upper left corner and on the support), and creases in the corners. Our numerous photos allow you to appreciate the quality of the drawings. Please examine the photos carefully. The photos are an integral part of the description. Dimensions of one drawing: Height: 14.5 cm, Length: 20.5 cm. Total dimensions: Height: 40.7 cm, Length: 50.6 cm.
