Description

Oil on canvas depicting a shipwreck and storm scene off a Mediterranean coast with classical monuments on the shore, a boat running aground on rocks, and survivors in the foreground, also on rocks. A beautiful composition with a prominent sky, very "dynamic," a seaside town in the background. The work is by a follower of Claude Joseph Vernet (1714-1789), one of the most famous landscape and marine painters of the second half of the 18th century. Very decorative, unframed, in good condition.
