Description

A set of four classical 17th-century engravings depicting Roman statues, engraved by Cornelis Van Dalen (c. 1602-1665) after François Perrier (1590-1650). Brought together as a series, these plates come from the Dutch edition published in Amsterdam in 1660 by Nicolaes Visscher (1618-1679), which reproduces Perrier's famous compositions devoted to the antiquities of Rome.
