

Earthenware And Wood Kitchen Mandoline, Circa 1900

100 EUR

Period : 19th century

Condition : Parfait état

Material : Earthenware

Width : 14 cm

Height : 29.5 cm

Description

Although perfectly functional, I think this mandoline would be better suited to a place of honor in your kitchen as a decorative object. It consists of two earthenware plates decorated with lily of the valley and violets, typical of the 1900s style. Its frame is made of turned cherry wood. The entire piece is in perfect condition, and a hanging device has even been added. Shipping within France and internationally; please contact me for details.
