

Rare Pair Of Lithophane Globes In Perfect Condition

800 EUR

Signature : Lithophanie

Period : 19th century

Condition : Très bon état

Material : Biscuit

Diameter : 26cm

Height : 14 cm et 14,5 cm

Depth : diam du col 9 cm

Description

A very rare pair of lithophane globes. The scenes on the illuminated globes are extremely finely detailed. Both are in perfect condition. Dating from the 1880s, there is a slight difference in the frieze, resulting in a 0.5 cm increase in height, but the diameters are identical, including the larger diameters.
