Description

A beautiful Aubusson-style knotted rug with a refined floral design and classic French-inspired composition. symmetrical, and highly decorative, with a classic and romantic feel, ideal for a chic or classically styled interior. Size : 366 x 270 cm Condition : Good overall condition. There are a few very slight stains visible in the ivory background and on the pistachio border, but these are discreet and do not detract from the overall appearance of the rug. The fringes have been carefully folded back for a more aesthetically pleasing finish (see the last photo showing the reverse side and the fold along the entire length of the rug). *Video available upon request MY COMPLETE GALLERY
