### Description

Sarreguemes Art Nouveau potiche. The upper decoration features a rosette in the shape of an arrow, framed by a beaded band. The central motif depicts thistles against a leafy background, typical of this period. This frieze is interspersed with interlacing stems. The wide, scalloped foot is adorned with flat gadroons, a motif also found on the upper part. (H 17 cm) The geometric handles are in relief with palmettes highlighted by dots. The background, in midnight green and yellow, with a duck-egg blue interior, enhances this harmonious design! Delivery is possible but not included in the price.
